

# ANACONDA SWIMMING CLUB ANTI-BULLYING POLICY

## Statement of Intent

The Anaconda Swimming Club (the Club) is committed to providing a caring, friendly and safe environment for all of our swimmers so they can learn to swim and train in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our Club. If bullying does occur, all swimmers should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING Club.

This means that anyone who knows that bullying is happening is expected to tell the Welfare Officer, coach, teacher or another officer of the Club.

## What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim.

## Bullying can be:

- Emotional – being unfriendly, excluding, tormenting (e.g. threatening gestures, hiding floats/bags on poolside or in the changing room)
- Physical – any non accidental physical contact hitting in the pool or changing area
- Racist – racial taunts, gestures
- Sexual – unwanted physical contact or sexually abusive comments
- Homophobic – because of, or focussing on the issue of sexuality
- Verbal – name-calling, sarcasm, spreading rumours, teasing
- Cyber – All areas of the internet, such as; Email & internet chat room misuse. Mobile threats by text messaging & calls. Misuse of associated technology, i.e. camera and video facilities

## Why is it important to respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving. Swimming clubs have a responsibility to respond promptly and effectively to issues of bullying.

## Objectives of this Policy:

- All Club officers, teachers and coaches, swimmers and parents should have an understanding of what bullying is.

### Procedures:

1. Report bullying incidents to the Welfare Officer, coach, teacher or another Club officer.
2. In cases of serious bullying, the incidents will be recorded by that person and referred to the Welfare Officer if she is not already aware.
3. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem.
4. If necessary and appropriate, police will be consulted.
5. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly.
6. If bullying is found to have occurred on the "balance of probabilities" then appropriate action will be taken including an attempt to help the bully (bullies) change their behaviour.

Outcomes:

1. The bully (bullies) may be asked to genuinely apologise.
2. In serious cases, suspension or even exclusion will be considered.
3. If possible, the swimmers will be reconciled.
4. After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

Prevention:

We will use KIDSCAPE methods for helping children to prevent bullying. As and when appropriate, these may include: writing a set of Club rules; agreeing to abide to a behaviour contract; and/or having discussions about bullying and why it matters.
